WHY HE USES A CORN SPECIALIST:

His Corn Specialist is 100% focused on corn, so he knows more about corn hybrids than anyone. That gives John the confidence of elite AgriGold genetics backed by unsurpassed expertise.

WHAT HIS CORN SPECIALIST DOES BEST:

John just picked up two new farms. He doesn't know the ground yet, but knew his Corn Specialist would, so he asked for help placing hybrids.

SUCCESS STORY:

Working with his Corn Specialist to place hybrids based on agronomics, last year John exceeded his farm's five-year average by 15 bushels.
