The memories are yours; we'll help you remember them forever.

Commemorate a special day, honor a loved one, or pay tribute to a favorite person with the Children's Museum of Illinois Pavement of Memories.

The Pavement of Memories will highlight the entrance to the Children's Museum of Illinois, beautifying the walkway and enticing visitors to come inside.

When you reserve your place in the Pavement of Memories, you're helping give children the opportunity to build memories for years to come. You're paving the way for hands-on education and limitless learning.

The Pavement of Memories features only 500 bricks—don't miss this opportunity to truly be part of the Children's Museum of Illinois!

The Pavement of Memories program lets you choose your own special message for custom engraving on elegant red brick.

Three sizes are available:

4" x 8"
8" x 8"
12" x 12"

Your unique words, names, quote, or any thoughts of your choice will be handsomely engraved into striking red brick, then laid into the pathway.
