

# Here's lookin' at you

It's your year—make heads turn with the latest skin and body enhancements from Christie Clinic.

We use the most advanced non-surgical technology to revitalize and rejuvenate your look:

- Hair removal
- Acne scar reduction
- Skin tone evening
- BOTOX®
- More

It's state-of-the-art treatment in a medical environment with board certified physician Lester J. Fahrner, M.D., and trained skin care professionals.
