Learn about farming the wind at a series of open houses sponsored by PPM Energy.

They're the company behind the planned Streator-Cayuga Ridge wind energy farm, and they want you to know what wind farming can do for you!

Like enhanced payments for school tax districts and more local jobs.

Come to any of the open houses, on February 26 at Odell Grade School, February 27 at Dwight High School, and February 28 at Pontiac High School. Each open house starts at 7 p.m.

For more information, call 815-844-8565.

It's more than energy—it's farming the wind.
