Rainbow Hospice
and Palliative Care

On the surface, all hospices can seem alike. But *one* exceptional hospice shines above all others...

You've lived a life that's exceptional. Why would you choose care that's just acceptable? When you or your loved ones are faced with a life-limiting illness, take comfort in knowing your hospice is like no other.

How do we know Rainbow is different? Because the families we serve tell us so. In fact, 97% of families would recommend Rainbow Hospice to family and friends.*

Finding the right end-of-life care takes knowing the difference between acceptable and exceptional. Those who know choose Rainbow.

97% of families would recommend Rainbow Hospice to family and friends.*

- Emergent Symptom Control Service reduces hospital re-admissions by preventing emergencies and unexpected events.
- The award-winning 15-suite Rainbow Hospice Ark provides a comforting, home-like environment to manage pain and other symptoms and help patients return home quickly.
- Hospice and Palliative Medicine board-certified physicians provide home visits and day to day problem solving.
- Integrative therapies including massage, art, music, pet and Reiki therapies offer additional solace and expression for patients.
- We support patients and families of all cultural backgrounds, ensuring communication never impacts care and grieving families receive culturally sensitive follow up.
- All services are free of charge—patients pay no deductibles or co-pays.
